*Guides should be the first point of contact for child-related questions. Kathryn can also help with any day-to-day operations issues, and should be contacted during school hours to relay information to teachers if needed. Guides use walkie-talkies during school hours, so they can always be reached. We do not provide guides' personal cell phone numbers to parents, but we are happy to relay messages as needed. Any questions regarding billing or enrollment should be directed to Ellen. Parents are welcome to request conferences with any staff at anytime during the school year and we will do our best to accommodate child care needs for these meetings.
