THE GARDEN MONTESSORI

PRE-K AT MMCS SCHOLARSHIPS

100% tuition + fees or 50% tuition + fees

The Garden awards up to 4 students each academic year with a full or half-scholarship (depending on need).

Candidates should complete a scholarship application and submit by January each year.

FINANCIAL AID

The Garden is unable to accept childcare subsidies but, in the interest of serving as many children as possible, has a limited number of spots in each program reserved for families in need of assistance in order for the child to attend. Contact us at info@thegardenmontessori.org to receive an application for assistance.

The Garden utilizes the same criteria as NC DHHS in order to determine need for financial assistance. Eligibility is determined by the following factors:

- Parent(s) are working or attempting to find work and receiving unemployment insurance.
- Parent(s) are in school or in a job training program.
- Child is receiving child protective services.
- Child needs part-time care to support child welfare services or if your family is experiencing a crisis.
- Child has developmental needs

Families are required to pay a percentage of the tuition based on gross monthly income. Percentage is determined by the following factors:

- Family Size
- Maximum Gross Monthly Income
- Developmental Need

Eligibility is valid for twelve (12) months for services, provided the family remains eligible. Eligibility will be reassessed annually in January of each calendar year.
