## 26-27 TUITION ASSISTANCE

THE GARDEN MONTESSORI

### PRE-K AT MMCS SCHOLARSHIPS

*100% tuition + fees or 50% tuition + fees*

The Garden awards up to 4 students each academic year with a full or half-scholarship (depending on need).

Candidates should complete a scholarship application and submit by January each year to be considered beginning in the fall.

### FINANCIAL AID

The Garden is unable to accept childcare subsidies but, in the interest of serving as many children in need as possible, we have a limited number of spots in each program reserved for families in need of assistance in order for the child to attend. Contact us at [info@thegardenmontessori](mailto:info@thegardenmontessori) to receive an application for assistance.

The Garden utilizes the following criteria to determine a need for financial assistance. Eligibility is determined by the following factors (some or all may apply):

- Parent(s) are working or attempting to find work and receiving unemployment insurance.
- Parent(s) are in school or in a job training program.
- Child is receiving child protective services.
- Child needs part-time care to support child welfare services or if your family is experiencing a crisis.
- Child has developmental needs.

Families are required to pay a percentage of the tuition based on gross monthly income. Percentage is determined by the following factors:

- Family Size
- Maximum Gross Monthly Income

Eligibility is valid for twelve (12) months of services (June-May), provided the family remains eligible.

Eligibility will be reassessed annually in January of each calendar year at time of re-enrollment.
